

Instruction Manual for Engine Bay and Spring Loaded Hinges

Step 1. *Cut these parts with proper tools.*

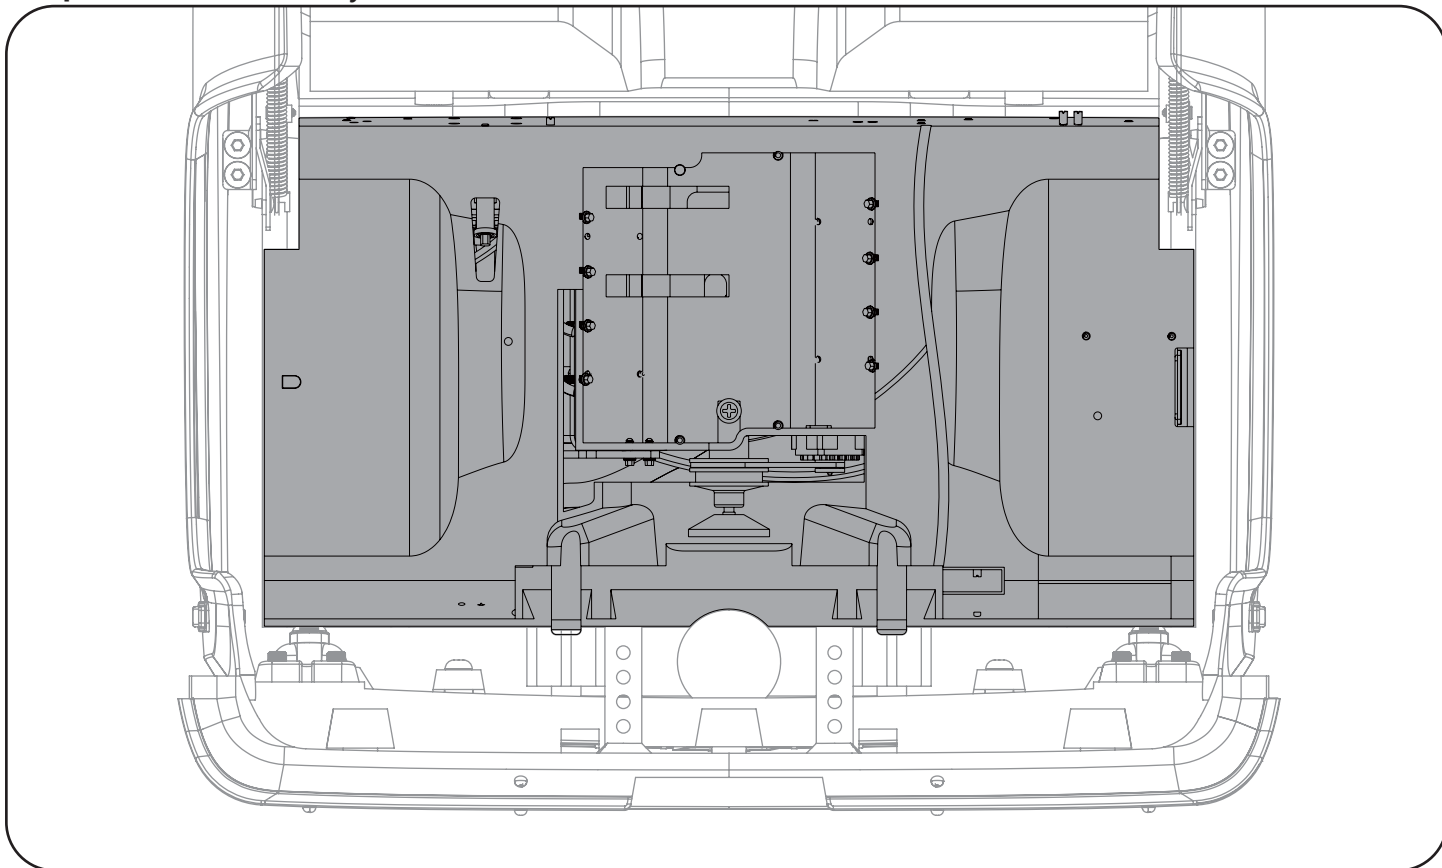

Step 2. *Apply glue to the back of the engine bay and front of the bodies firewall, or for a less permanent installation, drilling holes and installing screws would also work.*

Instruction Manual for Engine Bay and Spring Loaded Hinges

Step 3. *Installed on body.*

Step 4. *Wait for the glue to dry and complete the installation.*
